# Nancy Harvey

*An Inked Angel*

**Hi Nancy, welcome to Elite! Tell us a bit about yourself:** Hello! I'm Nancy, an internationally published tattoo model. I love big cats and dogs and have a passion for travelling. I'm obsessed with mermaids and witches and have a French Bulldog named Ace Ventura.

**What was it like to work with Kitty Kem on this shoot?** It's always fun working with Kitty! We have a laugh but she is always professional and gives good guidance when I need it. Plus, she loves my butt haha.

**What was your favourite part of the shoot?** The shoot was in her mam's house, so probs when I was on her bed rubbing my butt on everything haha.

**Outside of modelling, do you have any other passions?** Sure do, I love to travel, seeing my boyfriend and my dog <3 I love hanging out and seeing my friends. Oh and playing in my mermaid tail.

**If you could be one person for the day, who would you be and why?** I would probably be Barbara Windsor when she was in the Carry On films, just to meet Sid James <3 haha.

**If you could be a superhero, who would you be and why?** It would have to be cat woman, shes fucking bad ass. Sexy bad ass!

**IF YOU COULD BE IN CHARGE OF ELITE FOR ONE WEEK,  
WHAT WOULD YOU DO? I WOULD PUT UP LOADS OF  
PICTURES OF MY DOG AND LOADS OF ASS. EVERYONES ASS!**

**Where's the worst place you've been?** My normal day job...

**What's your favourite film?** I have loads! The best one is True Romance. Natural Born Killers and Moulin Rouge come very close though.

**Do you have any crazy phobias?** Yeah haha, people take the piss all the time. I'm scared of whales, the big fuck off ones. I hate newspapers, I can't touch one without throwing up and I do get a bit freaked with midgets... I'm slowly getting over that fear though, I met this awesome dude in Mexico who worked on a pirate ship and he jumped on my lap! He was cool as fuck!

**So how can a guy impress you?** Make me laugh. That's definitely the main thing. I need to be pissing my knickers enough to like someone haha.

**What is the naughtiest thing you do?** Rub my butt on everything haha.

**What's a guaranteed turn on for you?** Good bit of stubble!

Photographer: Kitty Kems | Words: Neale McGeever

**What's your favourite fancy dress outfit?** My mermaid tail obvs <3

**Finally, is there anything you would like to say to the Elite readers?** Just to say thanks for checking out my work and thanks to all my fans for their ongoing support, theyre all fucking awesome <3 xx

# Lost Without Leah

Nadolig Llawen! Or Merry Christmas to you non-Welsh folk!

I cannot believe how fast this year has gone, and what a year it's been. I for one will be glad to see the back of it. Without being too political, we have seen some unbelievable cruelty in the world this year, Islamic State, Boko Haram, Russia, Ukraine, Gaza and Palestine. We tragically lost Robin Williams, one of the greatest actors in the world; his story just showed us that a happy face doesn't necessarily mean a happy soul. Sleep tight.

So have you kept your New Year's Resolutions you naughty lot? A couple of mine have gone well and truly out of the window haha. Have you thought about any new ones for next year? Let me know on Twitter @leahharrismodel - I need some inspiration for mine!

Anyway, I and the babes at Elite have something totally new coming for you soon, exclusive interviews with the fittest female vocalists and the sickest UK tattoo artists, stay tuned to find out more, and email your questions for them to leah@eliteonlinemag.com <3

Remember to keep checking my Instagram: @leahharrismodel and Facebook: [www.facebook.com/leahharrismodel](http://www.facebook.com/leahharrismodel) for new stuff! Follow me on Twitter @leahharrismodel for the uncensored stuff & send me ton of cute emails to read at leah@eliteonlinemag.com - you guys are the greatest.

So that's me done yakking for another month! Have a really awesome Christmas, stuff your faces and get super drunk off Brandy and Baileys! Have a safe New Year and remember DON'T DRINK AND DRIVE!

Spare a thought for those on their own this Christmas, look in on neighbours, friends and extended family, they'll be really grateful.

Smooches!  
Leah xxxx

**What was it like to work with Tripodski on this shoot?** It was good to shoot with him again, first time in 2 years!

**What was your favourite part of the shoot?** I thoroughly enjoyed Tripodski's singing and think he should audition for X Factor. Genuinely impressed.

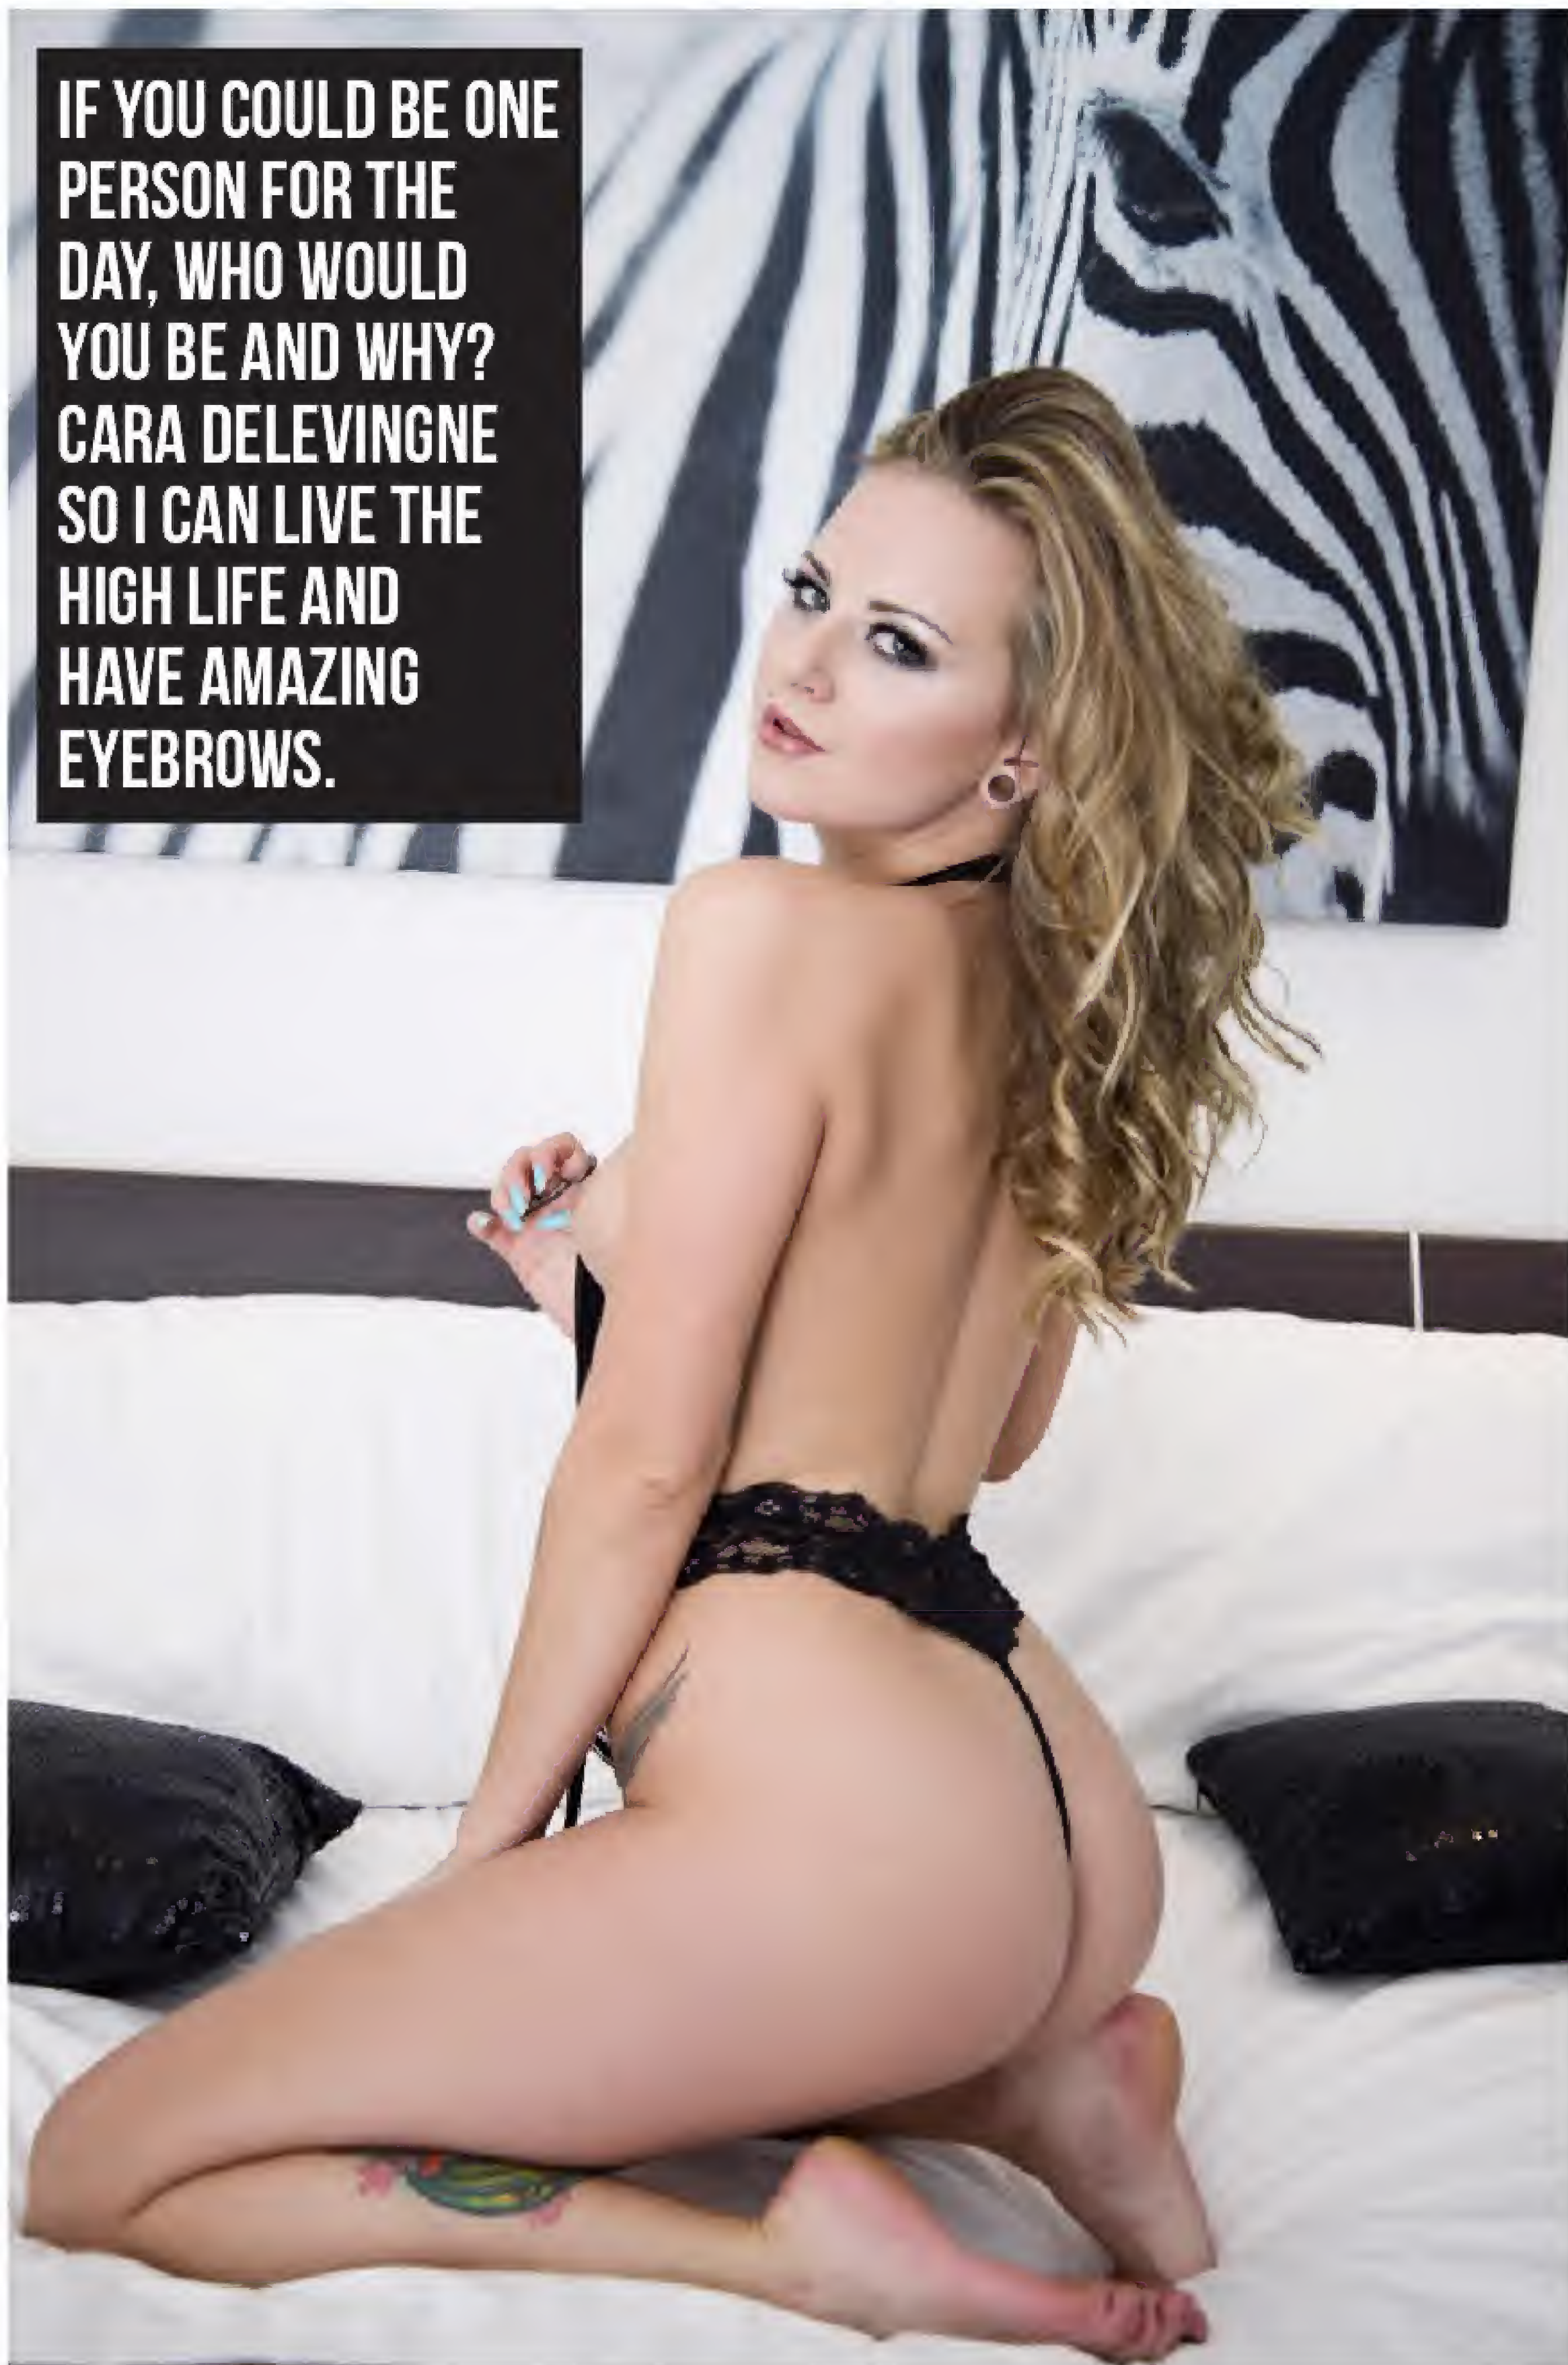

**Outside of modelling, do you have any other passions?** Cats, yoga, traveling and going to drum and bass events.

**If you could be in charge of Elite for one week, what would you do?** I would definitely make the editor and Tripodski do a cover shoot together!

**If you could be a superhero, who would you be and why?** Groot from Guardians of the Galaxy! Much love for him.

**Where's the worst place you've been?** My own bedroom when I haven't tied it up.

**What's your favourite film?** Frozen. "Do you wanna build a snowmaaaaaannnnn???"

# BEX TAYLOR

*Simply Astounding*

Photographer: JacobStephen | Words: Neale McGeever

**Hi Bex, welcome back to Elite! what have you been up to?** There has been quite a lot going on since the last time we spoke! I've been back over to LA and shot with a few cool people over there, been partying in Marbella then back to the North East to continue working hard and starting a new venture of dress making.

**What was it like to work with the photographer on this shoot?** It was the first time I had shot with Jacob, we were definitely on the same wavelength from the moment of discussing ideas and concepts so knew the shots were going to be awesome, always good to work with someone who has the same cool ideas.

**What was your favourite part of the shoot?** - It was definitely getting to wear my gold grill! I'd been wanting to try it for ages to give the shoot something different so loved trying that out and going all gansta!.

**Outside of modelling, do you have any other passions?** At the moment dress making is my passion and making outfits for shoots. I feel at my best when I'm just left to be creative and go wild with the sewing machine.

**If you could be one person for the day, who would you be and why?** I would be ANY of the Victorias Secret models for the day, those girls are my idols, to be able to strut down the catwalk in a pair of lingerie and wings would just make my life!.

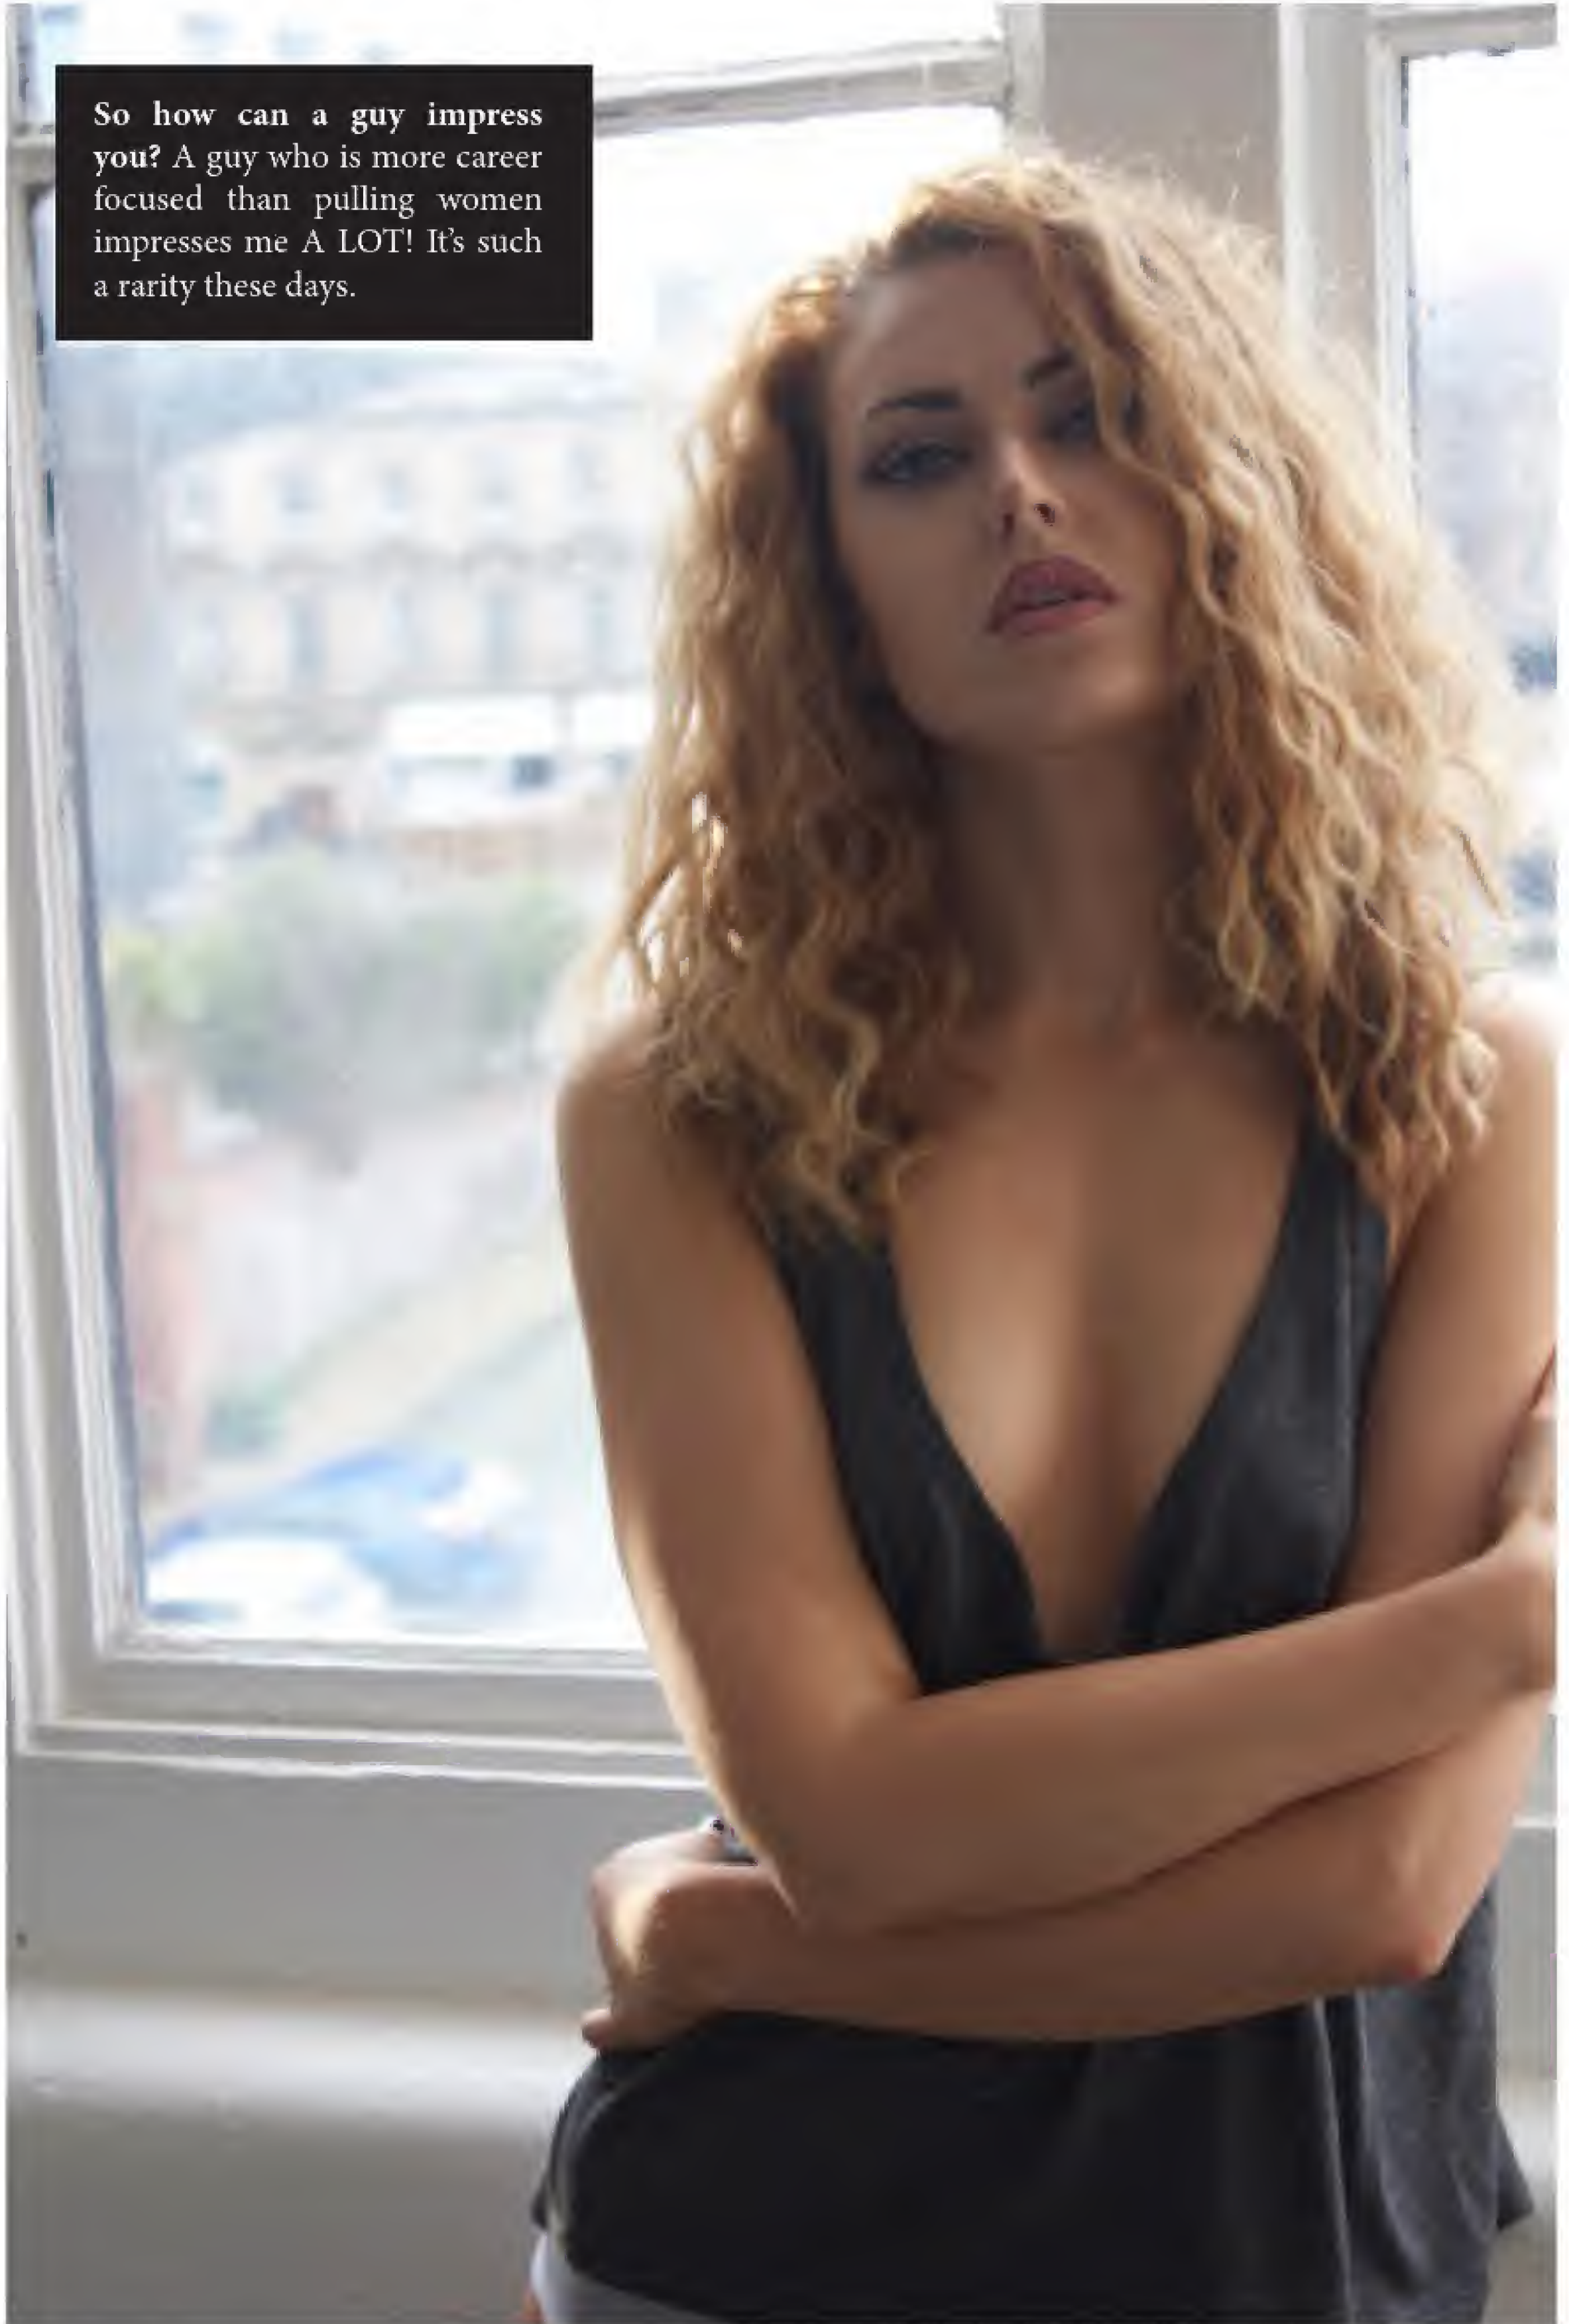

**WHAT IS THE NAUGHTIEST THING YOU DO? NAUGHTIEST  
THING I DO IS PROBABLY BITING... YEP I'M A BITER!.**

**So how can a guy impress you?** A guy who is more career focused than pulling women impresses me A LOT! It's such a rarity these days.

**If you could be in charge of Elite for one week, what would you do?** Basically it would be woman crush wednesday EVERY day, the feed would just be full of my girl crushes (mainly Sarah Stage and Irina Shyak) and lots of bums... I appreciate a lady with a good behind.

**If you could be a superhero, who would you be and why?** INVISIBLE WOMAN! Imagine the situations you could get out of and all the sneaky things and places you could get into if you were invisible! I'd love it!.

**Where's the worst place you've been?** I think I've been very lucky and not been to any horrendous places that I disliked to be honest.

**What's your favourite film?** Maleficent! Angelina Jolie is just amazing... and it's nice to have a fairy tale where a woman is the hero!

**Do you have any crazy phobias?** I hate feet!, If someone puts their feet on me I think I would actually be sick, men have the worst feet ever too!.

**WHAT'S A GUARANTEED TURN  
ON FOR YOU? EYE CONTACT  
IS PROBABLY THE MOST  
SIMPLE BUT HOTTEST TURN  
ON. HOLDING A GAZE WHILST  
DOING WHAT YOUR DOING... IT'S  
LIKE A WHOLE OTHER LEVEL  
OR CONNECTION WITH THAT  
PERSON... A HUGE TURN ON.**

Photographer: JacobStephen | Words: Neale McGeever

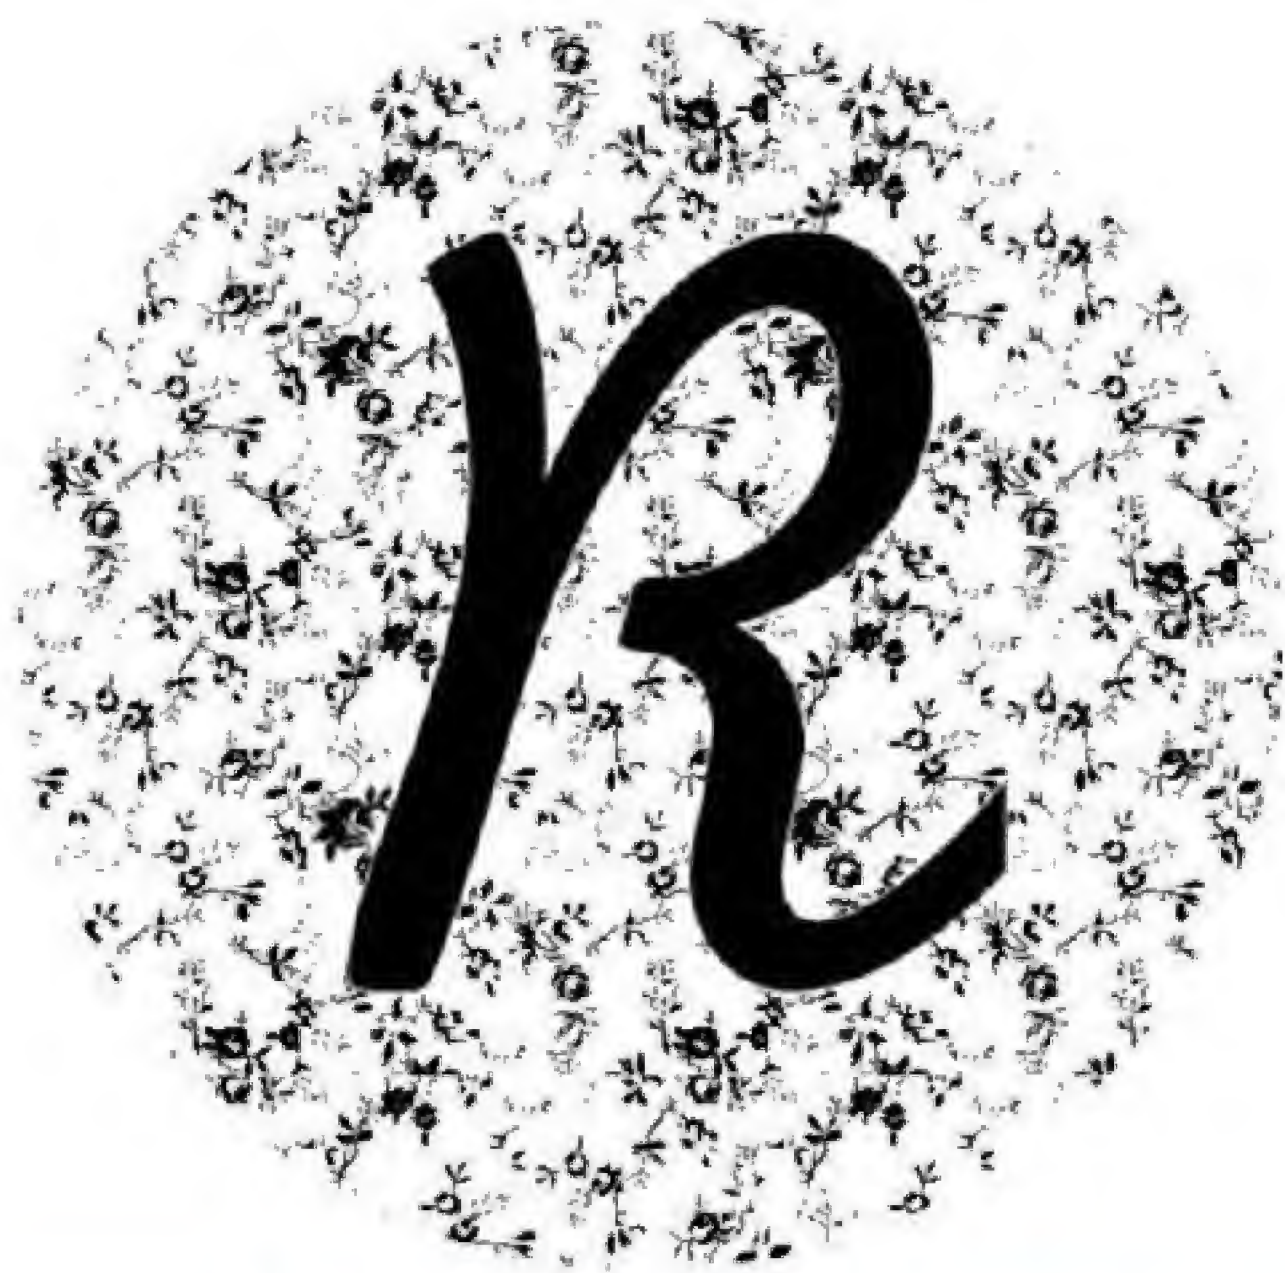

**What's your favourite fancy dress outfit?** Typical girly girl fancy dress... PLAYBOY BUNNY GIRL!

**Finally, is there anything you would like to say to the Elite readers?** Thanks for taking time to read and hopefully you'll of liked what you read and give me a follow or a like on @bex\_taylor (IG) or @bextaylorx (twitter).

# Jenny Laird

Photographer: Jack Russell

**Hi Jenny, welcome to Elite! What was it like to work with Jack on this shoot?** Hello Elite, first of all can I say how excited I am to be featured, thank you. Aww, Jack really is a super cool guy, full of great ideas with a brilliant eye for composition and light, he is so talented.

**What was your favourite part of the shoot?** I think all of it, because when shooting with Jack there is no pressure at all, it's a relaxed and chilled out affair. I enjoyed the bunny ears set, oh and of course meeting the gorgeous Rosie Robinson right at the end, she's WOW!

**Outside of modelling, do you have any other passions?** I enjoy travelling a lot, especially abroad, when I'm back in the UK I love music, oh and good food, lots of good food.

**If you could be one person for the day, who would you be and why?** After meeting Rosie Robinson, it would have to be her, my good god I would do all sorts of naughty things to myself. FIT!

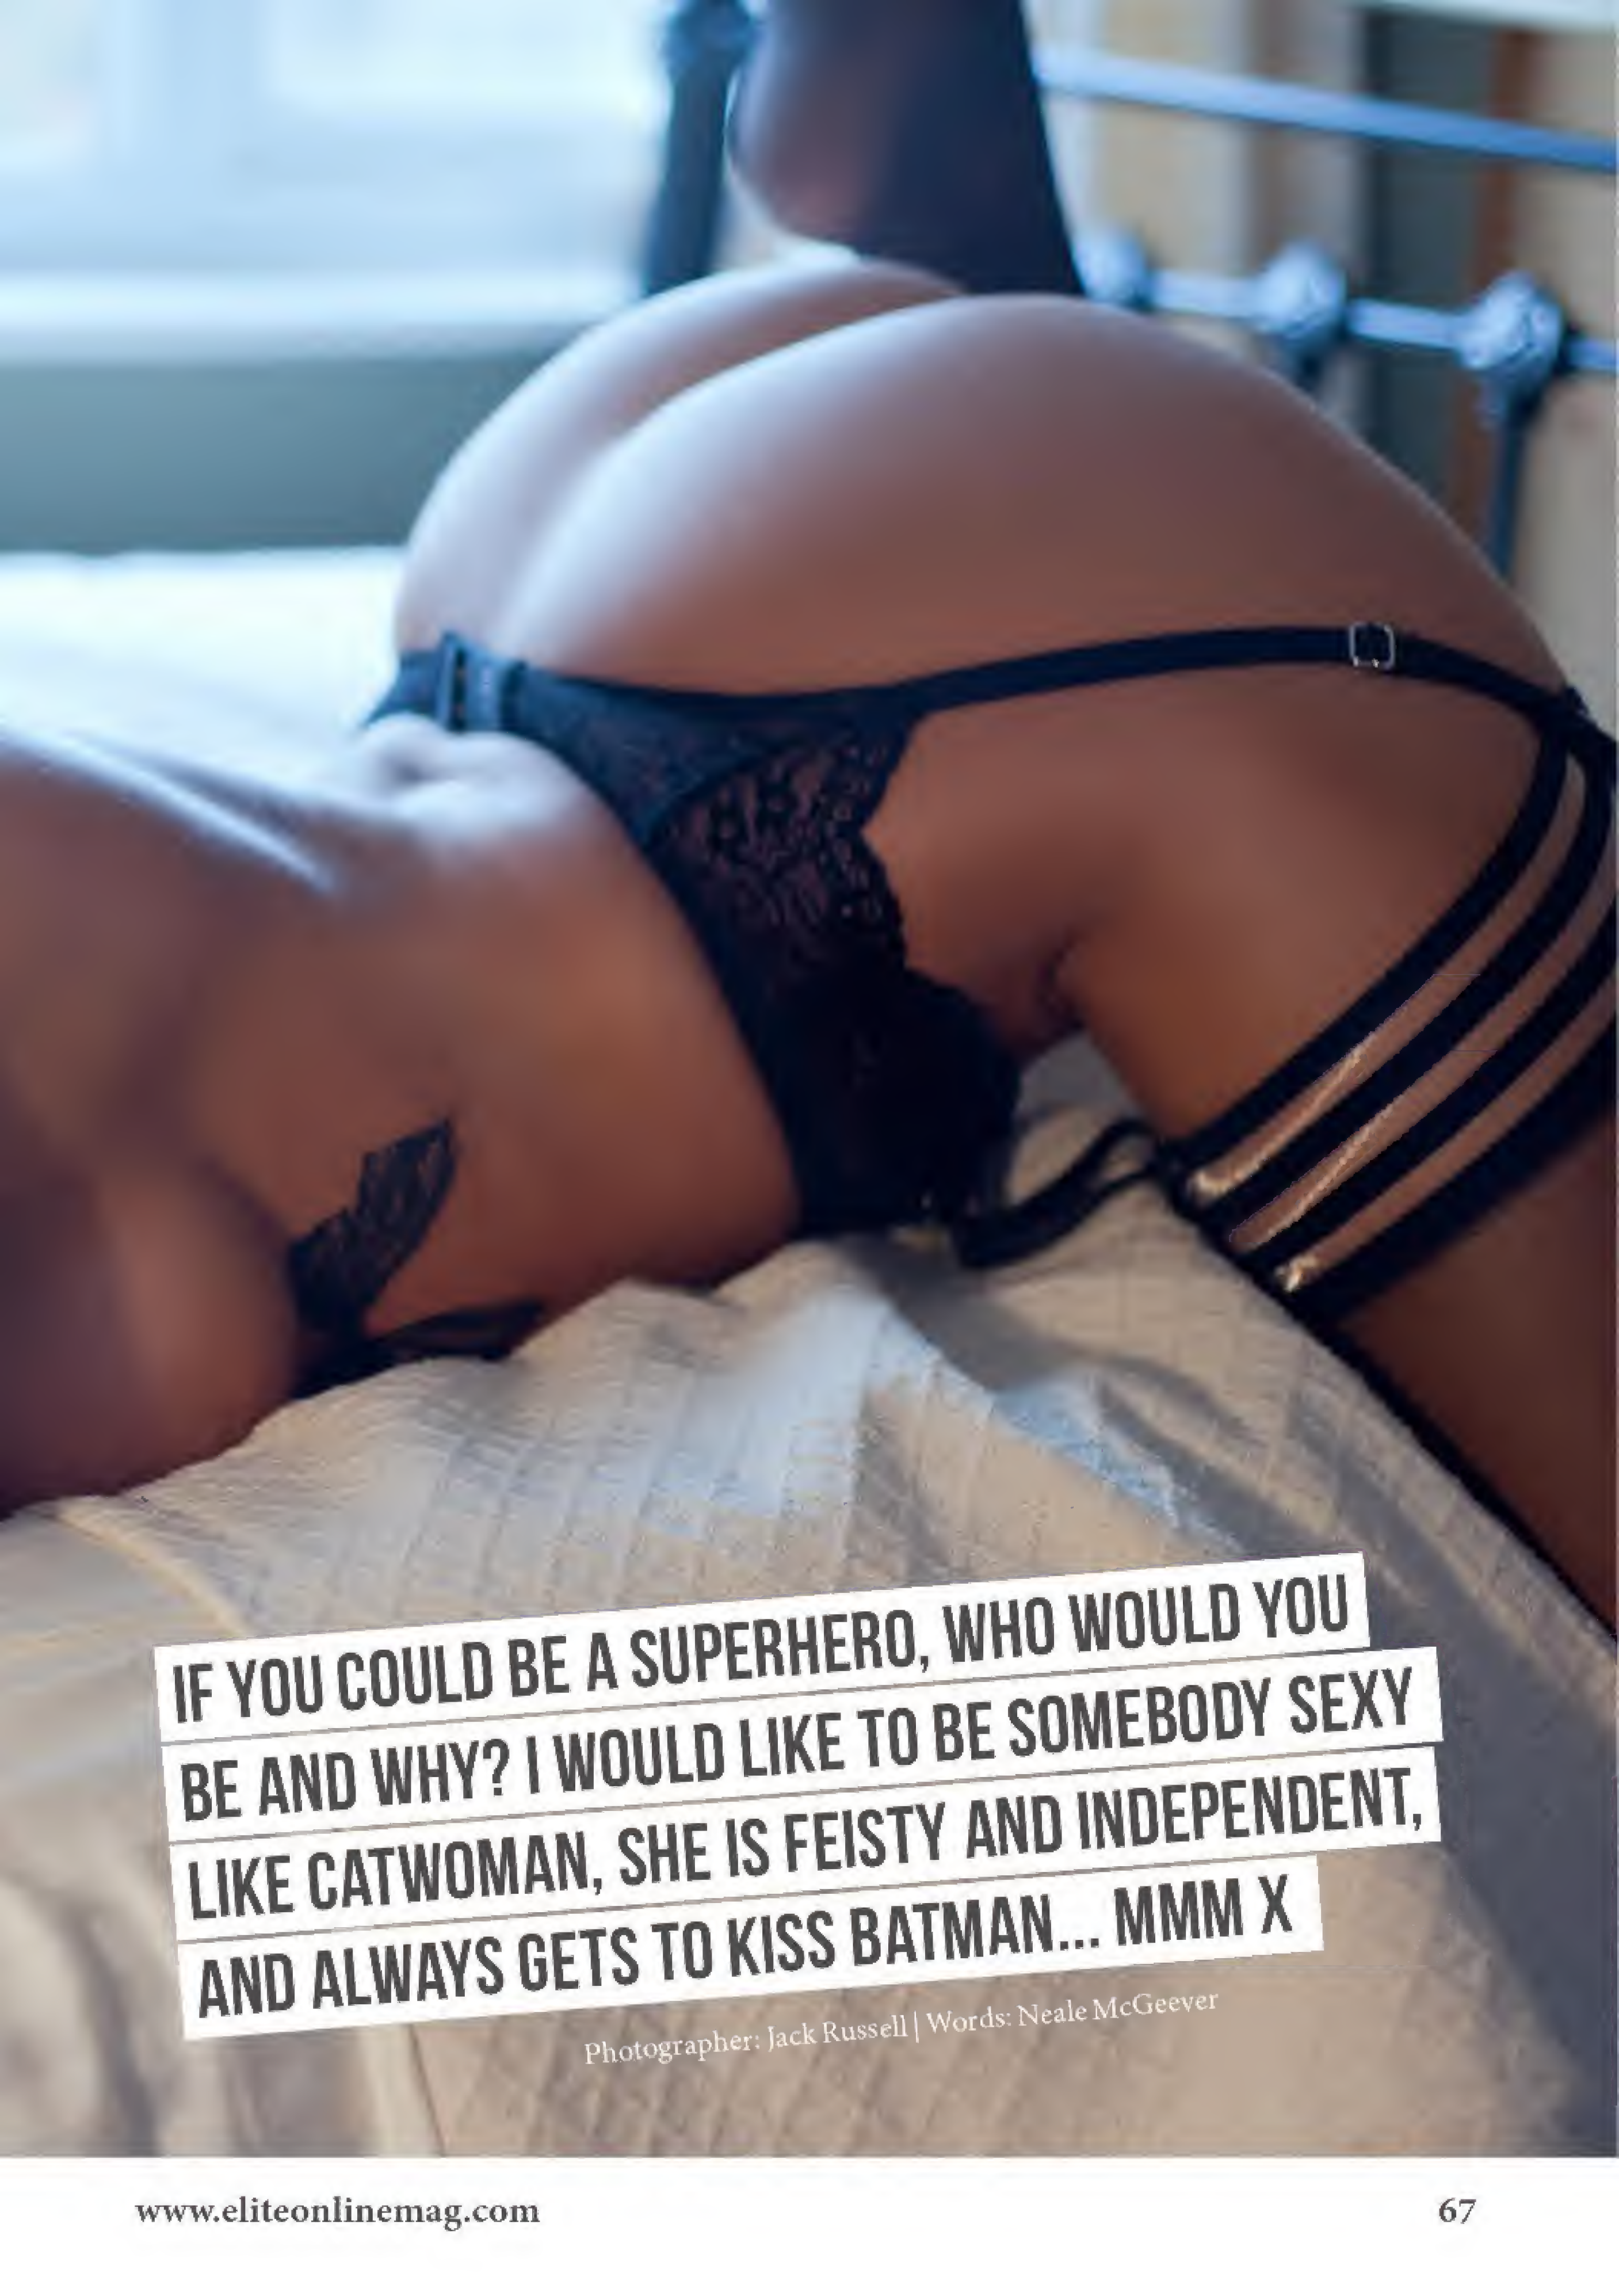

**IF YOU COULD BE A SUPERHERO, WHO WOULD YOU  
BE AND WHY? I WOULD LIKE TO BE SOMEBODY SEXY  
LIKE CATWOMAN, SHE IS FEISTY AND INDEPENDENT,  
AND ALWAYS GETS TO KISS BATMAN... MMM X**

Photographer: Jack Russell | Words: Neale McGeever

**If you could be in charge of Elite for one week, what would you do?** I love the mix of alternative and glamour girls so I think you have got the recipe just right.

**What's your favourite film?** I'm not really into chick flicks, but give me an action thriller with someone like Jason Statham in it. I love that rough manly look and attitude.

**Do you have any crazy phobias?** Yes getting stuck in a lift, I have one in the apartment where I live but I always use the stairs to the top floor. At least that keeps my arse in good shape ha.

**So how can a guy impress you?** Honesty mixed with a passion for what he does. Just please don't mention football to me or I am likely to walk away. I also like a man who is a little bit aloof and doesn't try to much. A girl can always tell when a guy is desperate or a playa!

**What is the naughtiest thing you do?** Hmm, I think you had better ask my boyfriend that, but he seems to enjoy it - thoroughly and often ;)

**What's a guaranteed turn on for you?** Oh dear! Emm, ok, here goes... I LOVE the backs of my legs being nibbled, and bitten (not too hard), but you would have to be somebody special to get that far in the first place :) Oh, and have I mentioned Rosie Robinson yet? She does it for me.

**What's your favourite fancy dress outfit?** Nurse, nun, bunny girl, cowgirl, naughty pixie, haha, I have got quite an extensive wardrobe... I love to get into the role-play of the costume I am wearing.

**Finally, is there anything you would like to say to the Elite readers?** Yes, thank you ever so much for having me in your magazine, it is the first time for me and it was a brilliant experience working with Jack and to see the amazing images he has produced. As this is also the addition on the run-up to Christmas, I would like to wish all of your readers, what ever religion they are, to come together in peace and have a wonderful celebration. Love you x

**Hi Keshia, welcome back to Elite! So tell us, how would you describe your current style?** I like a lot of black, grunge type stuff I guess!

**What was it like to work with Tripodski on this shoot?** Great, as always.

**What was your favourite part of the shoot?** I liked having the whole Japanese theme as it's a favourite of mine. Getting my makeup done in that style was cool too.

**Outside of modelling, do you have any other passions?** I love photography, I have a degree in it. I love animals and I'm obsessed with cats. Music and Films also.

**What is it like to be on the cover of Elite?** It's awesome to finally make the cover after having a lot of inside features! This time I get both.

**So how can a guy impress you?** Just be yourself, don't try to be cool and definitely don't be a creep.

---

**BEARDS - YES OR NO? YES YES YES YES!**

**Are you a high heels or trainers girl?**  
Trainers all the way. Although high heels help as I'm only 5'1!

**Who would be your ideal housemate?**  
As long as they're pretty tidy, like pizza and parties, that's good with me.

**If you could, what would you like to un-see?** A lot of things but off the top of my head, Le Mis.. there's 3 hours of my life I'll never get back! I'm not a fan of musicals haha.

**If you had to choose what would be your favourite tattoo?** I like my castle and whale on my thigh and it's my biggest one yet but there's more to come.

**WHAT IS THE  
NAUGHTIEST THING  
YOU DO? I ENJOY  
GETTING NAKED  
FOR YOU ALL,

## RHEANNE:

How has it been for you working very close with Hexxus films? It's great working with Hexxus films, being able to meet new people and now it's looks like there will be more doors opening for me.

How is being the first Hexxus girls? Well being number one is awesome haha! Well the fact is, being able to get Hexxus films up and running and to be the first Hexxus girl is amazing.

Have you had any funny moments on shoot? The shoot we just did was really funny I'm surprised Jay didn't get a migraine from us girls hehe. But there was one when I was a clown I came out of the changing screamed at Jay, his reaction and the fact he ran into the other room was so funny.

## NIKKITA:

**Tell us how you found it working with Hexxus Films?** I found it great fun working with Hexxus Films! The whole team was really laid back and made it very easy to get into the shoot... The themes were fun to do as I've not done these before. Jay was really good at giving direction and making sure he got the best out of each of us.

**Did you have any funny moments on the shoot?** Funny moments... Well most of it really! I think one of the best parts was dancing around on the chaise in spongebob pants singing along to Tenacious D songs!

**Would you work with them again?** I would definitely work with them again, I'd like to do more themed shoots as appeals to the performer in me. With me being a dancer and an actress it's great when I can transfer these skills into a photoshoot. It makes for more engaging images

#### **OLIVIA:**

Tell us how you found it working with Hexxus Films? The whole experience working with Hexxus was enjoyable.

Did you have any funny moments on the shoot? It has got to be the nerf guns haha.

Would you work with them again? I would definitely work with them again!

# HEXXUS

FEAT. RHEANNE, NIKKITA & OLIVIA

**Name:** Hexxus Films (Jay Smith)

**Location:** Grimsby, North East Lincolnshire

**How long have you been a photographer?**

Roughly I have been a photographer for less than a year, during my 6 months doing camera work I took a leap from filming to experimenting on my photography side. I had a opportunity to work with a local company for work as a secondary camera operator, to shoot images of live bands that were performing that night.

As I hit my stride with my talent, I wanted to get in the world of model photography. As for Hexxus Films it's not just a photography company, it's also a multimedia company.

**How would you describe your style?** My style at Hexxus films is catching the beauty in the models whilst being very alternative, grungy glamour. But I am yet to discover that one unique style that I can call my own which will happen in the future.

**What equipment do you use?** We use two types of cameras while were on set, Canon 5D Mark 2 which is the primary camera. Canon 70D for all the footage we shoot behind the scene, as for lenses we use all sorts, Canon EF 24-105mm f/4L IS USM, CANON EF 50 mm , Canon EF 28mm f/1.8 USM and finally Canon EF-S 18-55mm,. For the lighting equipment we use dual soft boxes 1m x 1m and 43cm beauty dish with grid with courtney flash heads also tungsten continuous lights with spill kills x2.

**Do you have any advice for aspiring models?**

Just to keep doing what they're doing as it will all pay off in the end if you put the work in. And have the right people to support you through it as there is nothing worse than people who bring you down and you don't need them.

**What do you enjoy most about photography?**

Capturing beauty on the spot.

**Who are your inspirations?** My inspirations are Sue Bruce, Chris Beasley, and Stuart Richards who is also a friend.

# THAI MARDER

Photographer: Tripodski

**Hi Thai, welcome back to Elite! What have you been up to since we last saw you?** Thank you for having me back on Elite! I have been a very busy girl.

My modelling career has been amazing. I have been to many places and worked with so many interesting people. I've been getting myself involved in the water world with my scuba diving habit. I just can't wait to get in the big ocean and explore sea life.

**What was it like to with Tripodski on this shoot?** Shooting with Tripodski for the first time was really fun. He is very professional, full of ideas and so easy to work with.

**What was your favourite part of the shoot?** My favourite part of this shoot would be the Christmas outfit. I am a very Christmassy person it is my favourite time of the year. So getting into sexy Christmas lingerie and hat really had made my day. I get to let my cheeky side to come out and play, it is such a playful set I get to pose sexy but at the same time be very cute and jolly.

**Outside of modelling, do you have any other passions?** I like to focus on my music. I love my acoustic guitar so when I'm not posing in my sexy lingerie in front of camera. I spend majority of my free time jamming out tunes in my bedroom. I wouldn't say I'm good at it but I can pull a few strings or two haha.

**If you could be one person for one day ,who would you be and why?** That's easy! If I could be a person for one day. I would love to be Nicole Scherzinger because she is such a beautiful sexy lady. She has a great personality and such a beautiful hair.

---

**If you could be in charge of Elite one week, what would you do?** I would have the most outrageous sexy beach party in the Bahamas and invite Hugh Hefner and his bunnies over and show them how we party it up. And then we will have a bikini challenge and pool party!

**If you could be a superhero, who would you be and why?** I would love to be Captain American because he slept for centuries but still looks amazing and has never aged. He is so strong and I don't think he is ever going to die. So basically I live forever and I would just go into a coma when someone tries to kill me.

**WHAT IS THE NAUGHTIEST THING YOU DO? I DON'T DO  
NAUGHTY! I'M A VERY GOOD GIRL! BUT I DO GET UP TO  
LOTS OF MISCHIEF AND I DON'T MIND IT.**

**Where's the worst place you've been?**

I have to say that the worst place I've been to would be Egypt to see the pyramids. It was just rocks and sand and I didn't even get to go see the inside.

**What's your favourite film?** Men of Honour.

**Do you have any crazy phobias?** Well I am scared of trees and its branches. Coz when ever I walk in the park I fear them going marching in a group like them ones in the Lord of the Rings!

**How can a guy impress you?** To make me laugh and buy me shoes. But if they really want to impress me they got to restle up some amazing dishes and cook their way to my heart. Only because I have so much love for my food!

**What's a guaranteed turn on for you?** Suit and tie, a cheeky smile, a great sense of humour and smelling good.

**What's your favourite fancy dress outfit?** I love dressing in my sexy Tokyo school girl outfit. Little short skirt. High knee white socks and sexy black high heels. I'm a big tease and I love it.

**Finally, is there anything you would like to say to the Elite readers?** I would like to say thank you for for checking out my new images on this feature and read my interview. I hope you guys enjoy it as much as I do. And be sure to keep your eyes out for my future feature.

THESE 3 GIRLS  
GET UP AND  
PERSONAL

Photographer: Dekker | Words: Neale McGeever

**Hey Dolly , so this looked like a fun shoot! What was it like working with Dekker?** I've worked with Dekker a few times now and most of the time we end up just giggling and chatting shit. Eventually we end up with awesome photos too so it's all good.

**We bet you all 3 are a bit crazy! What was your favourite part of the shoot?** I locked Dekker out of the studio and refused to let him back in. While mocking him he grabbed my ankle through the cat flap. Good times, man.

**If you could create a mixed body of the best bits from all 3 of you, who would contribute what?** Ruby's hair, my eyes, Poppy's nose and Ruby's lips haha. Poppy's curves are awesome so they're top priority! I weirdly like my wide hips so we could throw them in there. Ruby's abs are looking rad so that's a must too. We all have different boobies and butts so I'd swap those about too much to give you a proper answer haha.

**What's next for you?** I'm out in Australia at the moment, Sydney to be precise. I'm staying here until new year and then moving up to Brisbane and exploring from there. I've done a few shoots and my second set on Suicide Girls just got bought with another going into member review soon so there is lots to look out for and look forward to!

**Any last words for the Elite Readers?** COME TO SYDNEY FOR NEW YEAR SO WE CAN PARTY hahaha.

**TELL US A RANDOM  
FACT ABOUT  
YOURSELF? I SLEEP  
TALK AND MY EYES  
ARE SO BIG I'VE BEEN  
TOLD WHEN I BLINK MY  
EYELIDS DON'T TOUCH.  
WEIRD EH?!**

**DOLLY**

**Hey Ruby, so this looked like a fun shoot! What was it like working with Dekker?** It's always great fun working with Dekker, a relaxed atmosphere and good banter! :p

**We bet you all 3 are a bit crazy! What was your favourite part of the shoot?** What us nooo? Why do you think that? Hmm generally photobombing each other's shoots stealing Dekkers polaroid to take a stupid selfie all attempting to pose at once without a stupid face.

**Tell us a random fact about yourself?** I really like cheese.

**If you could create a mixed body of the best bits from all 3 of you, who would contribute what?** Oh gosh. Dolly's boobs and waist, Poppy's butt, my legs, Dolly's eyes, Poppy's cheek bones and lips my hair? That would be one sexy bitch or a gross Frankenstein babe.

---

**WHAT'S NEXT FOR YOU?**  
I CURRENTLY HAVE MY  
2015 CALENDAR OUT  
AND LOVED CREATING  
COSTUMES FOR IT AND  
RECENT SHOOTS SO  
MORE COSTUME MAKING,  
ALSO MY SUICIDE GIRLS  
SET IS OUT IN DEC WITH  
GEMMA EDWARDS SO  
TURNING PINK ON SG  
WOULD BE NICE!

**Hey Poppy, so this looked like a fun shoot! What was it like working with Dekker?** Working with Dekker was awesome, he is so chilled and he let me pick my music, which was always going to be Nirvana.

**We bet you all 3 are a bit crazy! What was your favourite part of the shoot?** I love my ladies they are crazy girls. I loved that Dolly managed to balance a pumpkin on her head, I was very impressed with her skills.

**Tell us a random fact about yourself?**  
I once delivered a lamb, it was warm.

**If you could create a mixed body of the best bits from all 3 of you, who would contribute what?** I would definitely steal Dolly's norks as they are lovely and Ruby's awesome hair, I don't mind my bum so I think I would keep that.

**What's next for you?** I never know, whatever crazy plan lands in my lap. I'm always surprised as to what I end up involved in.

**Any last words for the Elite Readers?**

Photographer: Tripodski

**Hi Ezra, welcome back to Elite! What have you been up to since we last saw you?** Hello there guys :) I've been a real busy bee! I've been working lots and trying to save for my masters! One which I found in Amsterdam, so lots to look forward to!

**What was it like to work with Tripodski on this shoot?** It was my absolute pleasure to meet Tripodski, I have been eager to shoot with him for Elite for a while now. It was definitely worth the wait, I couldn't praise his attitude more. We laughed a hell of a lot, it'd be my pleasure to work with him again.

**What was your favourite part of the shoot?** All of it. Cliche answer it may seem, but it was the first time I'd gotten to meet the Elite team in person. Although we've communicated lots in the past, to meet the Elite team in person was such a great experience, I felt completely looked after.

**Outside of modelling, do you have any other passions?** Modelling is a great platform for me, I love to meet and collaborate with new people. However I am extremely passionate about improving the situations of others, in particular young people. After my degree in Conflict Resolution, I have worked on ideas and projects that help to better the conditions of others, my next project investigates gender identity. I like to challenge thought and perceptions, and being friends with many creatives, it naturally becomes arty.

**If you could be in charge of Elite for one week, what would you do?** I'd want to plan a fun event where the models, brands and characters of Elite all got together for a shoot/party day!

**IF YOU COULD BE ONE  
PERSON FOR THE DAY,  
WHO WOULD YOU BE  
AND WHY? BEYONCE,  
ALWAYS BEYONCE,  
BECAUSE.. BEYONCE.**

WHAT'S YOUR FAVOURITE FILM? GREMLINS ^\_^

**If you could be a superhero, who would you be and why?** I would be Catwoman because there is no suit like Michelle Pfeiffer's from the 90's!

**Where's the worst place you've been?** I really can't say I've been to a place I've remembered that negatively, although some places in Leeds definitely feel like redneck towns.

**Do you have any crazy phobias?** As if this question snook in here! I have a real irrational thing when it comes to fish... I can't bear the sight/feel/idea yuk anything!

**What's your favourite fancy dress outfit?** It entirely depends on how one defines fancy dress. A couple of years ago I turned up to an event wearing a full white wedding dress, covered in blood, whilst the rest of the girls were in orange hotpants sporting Hooters tshirts... if anybody's seen Mean Girls, yep. But that was hands down my favourite outfit, just probably not the choice of your average girl.

**FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO  
THE ELITE READERS? YOU MADE IT! CONTINUE AND ENJOY :)**

# Miller

**Hi Jenny, welcome back to Elite! What have you been up to since we last saw you?** Hey thanks for having me back, I've been super busy performing with Sallie Axl & Inkdolls. We are an inked up fire troupe and we have been performing all over the country. Sallie is an awesome DJ and fire performer, We have so much fun and our shows are crazy. I have also been working on my solo shows, I am gonna be performing my new act at the Cariad Ink Tattoo Festival in Wales on the 29th and 30th of November.

I have also been getting tattooed a lot, working on my Star Wars sleeve and I also got my bum fully tattooed a few days ago, getting my side tattooed in a few days when I'm brave enough to deal with the pain haha. My tattooer James Bartlett (inkybeard) is amazing, super quick and his art work is sick. There is also a new member to my Miller mannor, I now have a pet skunk, his name is WIZ. I named him after Wiz Khalifa, he makes my life! I've become such a home body, any time I have off from performing and modeling I love to just stay in and hangout with Wiz, he's so cute and silly, always upto something, he loves playing and NO he doesn't smell or do lil stinks. I'm also a big believer in animal rights and I worked with PETA recently for an anti-fur campaign/protest for London fashion week, photos from the event ended up in all the news and even made Vogue, was crazy.

**What was it like to work with Tripodski on this shoot?** FUCKING AWESOME... I love working with him, he always knows how to make me look amazing, we always just are silly, we're always laughing and joking about. It's surprising we get any shots done :)

## LATEX BY KAORI'S LATEX DREAMS

WHAT'S YOUR  
FAVOURITE FILM?  
V FOR VENDETTA.

**LATEX BY  
KAORI'S LATEX DREAMS**

Photographer: Tripodski  
Words: Neale McGeever

---

**What was your favourite part of the shoot?** Getting to dress up like a G, haha! I loved the latex I got to wear also by Kaori's Latex Dreams, it fitted perfect and felt amazing, I want everything by them now :)

**If you could be one person for the day, who would you be and why?** LIL WAYNE..... he's da man haha! The life he lives seems crazy, and to be able to rap like him would be a dream come true, plus he has an unlimited amount of weed and bitches... Seems like a lot of fun, not much different from my life really thugho haha!

**If you could be in charge of Elite for one week, what would you do?** WANK... haha! You have so many beautiful girls shooting for you, I would just be a massive perv... they should make this happen, somehow there would be way more boobs and bums, probs end up being a porn mag so I would get a lot of complaints from all the bible bashers.

**If you could be a superhero, who would you be and why?** Batman, he wears black, he's a billionaire, he has no family like me, he kicks fucking ass and his rides are sick.

---

**LATEX BY  
KAORI'S LATEX DREAMS**

**Where's the worst place you've been?** France, I went there to perform for New Rock with Dani Divine, it was a nightmare getting around as I'm terrible with other languages, and everyone was rude. The only food there was cheese and bread, I didn't drink alcohol at all at the time so I was pretty moody too ha. I hate flying so nearly had a panic attack on the SCAREOPLANE... I just couldn't wait to get home and be able to eat a salad, our show was amazing though and I got to walk a catwalk! The club we performed at was pretty cool, and I'm sure I saw people have sex on this mattress up on a platform!

**Do you have any crazy phobias?** Not any crazy ones, I hate bugs and heights, I also don't like germs and dirty places or people that smell bad.

**So how can a guy impress you?** By being a gentleman and treating me with respect. It's hard to find this day and age, and especially with what I do for a living.

---

**WHAT IS THE NAUGHTIEST THING YOU DO? I'VE BEEN  
A STRIPPER FOR OVER 5 YEARS AND I'M BISEXUAL  
SO I WILL LEAVE THE REST TO YOUR IMAGINATION...  
LESBIAN SHOWS ARE FUN THOUGH ;)**

**LATEX BY  
KAORI'S LATEX DREAMS**

**What's a guaranteed turn on for you?** I love gingers and lots of tattoos, the more the better... I'm not a fan of plain skin, I find it so boring, I want something to look at, I have always loved art and I see the body as a canvas needed to be painted.

**What's your favourite fancy dress outfit?** I don't really have one, I love dressing up but haven't been to anything fancy dress in ages, I usually work on Halloween in a strip club so I just dress up as Jenna Jameson in zombie strippers. I then go around biting customers, I seem to make a lot of money on Halloween haha.

**Finally, is there anything you would like to say to the Elite readers?** Thank you so much for taking the time to read this, and if you want to keep up to date with all my shoots/shows and antics follow me on my official pages

**Hey Alana-Jaine, welcome to Elite! What was it like to work with Dale on this shoot?** It's always great fun to work with Dale, and we have a great friendship. We just don't stop laughing when we are shooting! He's a great photographer and a really great bloke!

**What was your favourite part of the shoot?** Oh, just all of it! It's important for me to laugh and be myself on a shoot and I can always do that with Dale.

**Outside of modelling, do you have any other passions?** I'm a big lover of dancing, I have danced all my life and even used to teach at my mums dance school. But the tomboy in me loves stock car racing on Sundays! I don't race myself but who knows, maybe one day!

**If you could be one person for the day, who would you be and why?** I think I would be Quentin Tarentino, the director. I would love to know what goes on in his head and where his crazy ideas come from for his films. He's a genius!

**If you could be in charge of Elite for one week, what would you do?** I would try and get Christy Mack to do a cover shot and feature. Cause let's face it she's just hot and that bum, well... Need I say anymore!?

**If you could be a superhero, who would you be and why?** I would be Black Widow, she's just bad ass! Someone you wouldn't mess with... And she's a red head like me!

**What's your favourite film?** The Other Guys, Mark Wahlberg and Will Ferrel are just hilarious! It's one of the funniest films.

**What's a guaranteed turn on for you?** Mystery! I like a guy that I can't quite work out, I find it really hot and exciting.

**Finally, is there anything you would like to say to the Elite readers?** Thanks for having me guys! It's been a pleasure shooting for the mag, I hope you all enjoyed our feature and getting to know me a little more! xxx

**Hi Chloe, welcome to Elite! Tell us a bit about yourself:** Hello! I started modelling when I was 16 and recently I took a 3 year break, but now I'm back! I'm hoping to do a lot more modelling now that I'm self employed :)
